GUESTS:

A SPIRITUAL JOURNEY with Naosherwan Anzar Lessons from the New Life

Naosherwan Anzar was 2 months old when Meher Baba held him in his lap during a visit to Dehra Dun, in the foothills of the Himalayas. This connection began a long relationship that was to determine the shape and direction of his life. His personal devotion to Meher Baba is the keynote of that spirituality which inspires and characterizes his outlook as a writer and a man.

Naosherwan's father, Keki and his mother, Freiny were an integral part of Meher Baba's New Life. Their home, 36 Lytton Road in Dehra Dun, was the headquarters of the New Life. Naosherwan will share in detail elements of the New Life, often termed as the blueprint for the New Humanity, with unpublished family New Life photographs, with a special focus on lessons learned from the New Life phase.

Maraiya Latulippe *Singer/Songwriter*

Meher Baba has been the focus of Maraiya's life and music since 1979. It has been her good fortune to sing at Baba's Samadhi as well as for His Beloved Mehera and His Mandali. Over the years, she has performed at several Baba gatherings, at the Heartland Center (where she was caretaker) and at the Meher Center in Myrtle Beach, where she now resides. Fluent in French and Spanish, classically trained in piano, her musical influences are diverse. She accompanies her vocals on keyboards and guitar.

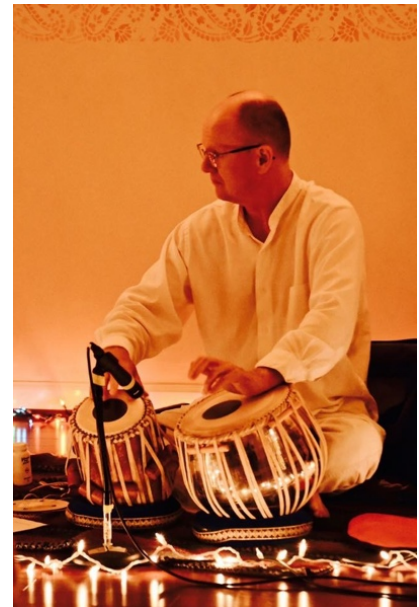

Maraiya is delighted to be performing in Chicago for the first time with percussionist extraordinaire, Cliff Hackford, who will be producing her second CD of soulful, Baba-full music in 2019.

Selections from this new offering will be performed for Chicago sahavasees.
